Freedom Convoy 2022 Reaffirms its Commitment to Peaceful Demonstration

The Freedom Convoy 2022 is an organic, grass roots, freedom movement. There are many diverse voices here in Ottawa who have assembled to demand the return of their freedoms. Since the very start, Canadians have been honoured to witness the expressions of love and unity on Parliament Hill. We have created hope and revitalized the Canadian identity of accepting all people.

We do not support any form of hateful rhetoric, divisive comments, or calls for violence. We explicitly condemn anything of that nature.

So let us be very clear: we are a peaceful and lawful demonstration. We have heard about inappropriate comments being made by Pat King.

Pat King does not speak for us. We expressly condemn any talk of violence from him or others.

Pat King has the right, like every other Canadian citizen, to protest peacefully.

The Freedom Convoy 2022 only supports ending the mandates and returning our freedom. We welcome all Canadians to join us in Ottawa for this purpose.
